## 1. Reports to Shareholders / Business Report

Dear Shareholders,

On behalf of the company's Board of Directors, the Chairman and the entire management team, we would like to express our gratitude to every one of our shareholders for your long-term support of Dimerco Express Group during our promising developments and for sparing your time to participate in the 2024 shareholders meeting.

As per the KPMG audited Financial Statement, the consolidated financial report of Y2023 Consolidated sales revenue of Y2023 is NTD 22,042 million and consolidated net income after tax is NTD 1,023 million. Earnings per share is NTD 7.24. Compared to the previous fiscal year, which saw particularly unusual market conditions due to the pandemic, there were reductions of 46.5%, 59.7%, and 61.3% in various aspects. However, compared to the pre-pandemic fiscal year of 2019, there were increases of 23.8%, 153.6%, and 126.3% in revenue, net income after tax, and earnings per share, respectively.

After the end of the pandemic in the fiscal year of 2023, the international economic outlook remained challenging, posing significant challenges to the international transportation market. However, due to Dimerco's global network of forwarding and logistics locations and our cloud-based SCM international logistics service platform with clear market positioning and effective digital marketing to attract customers, Dimerco has been able to deliver solid results. In anticipation of market changes, Dimerco has leveraged digital marketing to create value, further enhancing its operational profitability. The fiscal year of 2023 saw significant improvements in revenue, net income after tax, and earnings per share compared to the pre-pandemic fiscal year of 2019, increasing by 23.8%, 153.6%, and 126.3%, respectively.

In addition to strengthening operational profitability, Dimerco has emphasized customer quality, been carefully selecting high-quality customers and effectively controlling accounts receivable. With excellent financial management capabilities, the company is committed to maintaining a sound financial structure. By the end of the fiscal year of 2023, the current ratio stood at 2.7, significantly higher than the industry average. With cash reserves of NTD 4.78 billion at year-end, compared to net worth of NTD 5.94 billion, the company demonstrates exceptional liquidity and debt repayment capabilities. Furthermore, fixed assets accounted for only 9.2% of net worth, demonstrating the flexibility and elasticity of

a low-asset logistics service provider. The total liabilities amounted to only 33.1% of total assets, indicating a very healthy and robust financial structure.

After the ISO 14064-1:2018 verification at the end of 2022 and declaration of commitment to green supply chain and carbon reduction goals to reduce the carbon footprint, Dimerco has taken further steps in 2023. Implemented the EcoTransIT World system certified by the international organization Smart Freight Centre (SFC), Dimerco utilizes this system to calculate carbon emissions for air, sea, and land transportation, aligning with the Global Logistics Emissions Council (GLEC) framework and meeting the requirements of the GHG Protocol (corporate standards). Besides, in this January, Dimerco has aligned ESG goals with Cathay's vision on its Corporate Sustainable Aviation Fuel (SAF) Programme, to support the earth with practical action on reduction of greenhouse gas emissions associated with aviation.

Dimerco is dedicated to technological and digital transformation, elevating the level of Information Security Management (ISM). The implementation of the latest ISM and protection framework ensures that information security measures align with the development of digital transformation. Continuous improvement of management and operational processes is undertaken to address the ever-changing external environmental threats. With the development on Digital Platform and Cloud Networking SCM Platform of Dimerco Value Plus System®, flatter organization and ISO 27001:2022 Cyber Security Certification (BSI Certification N0. IS 743553) by BSI, Dimerco internally upgrades digital capability to strengthen operation & management efficiency and cost-effective solutions for our customers with mobility via application of Robotic Process Automation (RPA).

Externally, Dimerco upgrades online services and integrates off-line & online services via its upgraded MyDimerco platform and POMS (Purchase Order Management System) to further enhance customer services. The services include not only the coordination of purchase orders between customers and their suppliers, supplier performance management, product management, and logistics cost analysis but also online booking of cargo space and online customer support, providing professional services that integrate both virtual and real aspects, reaching unprecedented heights.

Looking to the future, the international transportation and logistics market still faces challenges. Amidst the changing global landscape and volatile markets, challenges multiply and operational risks increase. However, Dimerco's established competitiveness of the physical channels and virtual digital platforms continue to be effective. With a clear market positioning, Dimerco will leverage digital marketing to promote its value-added services in customer supply chain management, strengthen its business expansion capabilities, and enhance service quality through digital transformation and semi-

automation to increase efficiency and productivity, thereby generating profits. We hope to continue contributing to society and providing reasonable returns for shareholders and contributing colleagues.

Thank you for your continued support!

(4) Status of Research and Development:

Dimerco's digital marketing starts with understanding customer needs and insights into the market to drive all marketing activities. It leverages technology support through data, automation, and analysis, and accelerates decision-making through the agility of a flattened organization structure. Digital marketing works closely with our global sales and marketing team, investing significant and optimal resources to attract, convert, and engage customers through a seamless integration of online and offline services.

Customer expectations for service quality continue to evolve with the rapid development of digital technology and diversified shipping options. The importance of digital strategy will continue to increase during and after the COVID-19 period.

Our company has increased its efforts in digital marketing and launched a brand new global website in 2021. The website clearly communicates our value proposition and reflects the company's strengths and management capabilities across the Asia-Pacific region's supply chain.

In terms of digitalization, our company introduced the Dimerco Value Plus System® (Web 2.0), a self-developed value-added messaging system, on August 1, 2009. The system created a unified platform for sales, operations, and financial management, and enabled effective management through a real-time information system. The CYM (Consolidation Yield Management) and Data Synchronization Method used in the Dimerco Value Plus System® were respectively awarded patent certifications in the United States and Taiwan in 2014, marking the official transition of our company from the digitization stage to the digitalization stage of technology in 2009.

During the stage of digitalization, our company focused on three main directions - cloudification, mobilization, and intelligence - to optimize our internal and external processes through digital technology.

In the area of cloudification, our company incorporated cloud technology in 2017 by migrating the Dimerco Value Plus System® to a public cloud and establishing a hybrid cloud architecture in conjunction with the construction of a private cloud. This approach provided a balance between stability, flexibility, and cost-effectiveness.

In 2018, we established a mobile technology team to develop mobile applications and complemented this with RPA robot technology to extend our service coverage. In the latter half of 2021, we completed the renovation of our external digital portal, offering a one-stop information service that includes online inquiries, booking, cargo tracking, and goods receipt and delivery. This development enables us to offer comprehensive digital services to our customers.

In terms of intellectualization, our company accumulates data in a private cloud-based big data database and utilizes business intelligence technology for analysis, providing real-time and flexible information support. Since 2018, we have also begun to introduce artificial intelligence and machine learning, developing real-time recommendations to give operational processes more intelligence and improve accuracy and efficiency.

Regarding information security issues, given the increasing frequency of security incidents, our company started investing in information security management system in 2017 to ensure the security of our customers' valuable data assets. We approached it from three aspects: People, Process, and Technology, to enhance the overall security resilience. In early 2021, we successfully passed the BSI audit and obtained the ISO 27001:2013 (IS 743553) certification. Later that same year, we also passed the NIST CSF (Cybersecurity Framework) NIST 759307 verification.

Through our self-developed technology, we tightly integrate data/information flows with our information security management system, and further combine with our strategic partners to serve our customers, strengthen service quality, create added value, and effectively help our customers enhance the overall efficiency of supply chain management.

## **VI.** Questions and Motions

#### Independent Auditors' Report

#### To Dimerco Express Corporation,

#### Audit opinion

We have audited the financial statements of Dimerco Express Corporation (the "Company"), which comprise the balance sheet as of December 31, 2023 and 2022, and the parent company only statements of comprehensive income, changes in equity and cash flows for the year then ended, and notes to the financial statements, (including a summary of significant accounting policies).

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as at December 31,2023 and 2022 and its financial performance and its cash flows for the year ended December 31, 2023 and 2022 in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers.

#### Basis for the audit opinion

We conducted our audits in accordance with the Regulations Governing the Auditing and Attestation of Financial Statements by Certified Public Accountants and accepted auditing standards. Our responsibilities under those standards are further described in the paragraph "Auditor's responsibilities for the audit of the parent company only financial statements". We are independent of the Dimerco Express Corporation in accordance with the Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that we have acquired sufficient and appropriate audit evidence to serve as the basis for our audit opinion.

#### Key audit matters

Key audit matters refer to the most vital matters in our audit of the parent company only financial statements of the Dimerco Express Corporation for the year ended December 31, 2023, based on our professional judgment. These matters were addressed in our audit of the parent company only financial statements as a whole, and in forming our audit opinion. We do not express a separate opinion on these matters. Key audit matters of the consolidated financial statements of the Company are stated as follows:

#### 1. Revenue Recognition

Please refer to Note 4(12) "Revenue and cost recognition" for related accounting policy, and Note 6(13) "Revenue disclosure for contractual revenue.

#### Description of key audit matters:

Dimerco Express Corporation's revenue is mainly generated from providing contractual air freight forwarding services. It is recognized as current income when the goods are sent to ship based on the delivery contract with the price determined. As the time at which the goods are sipped is variant based on each contract, the management of the Company determines the time at which revenue is recognized under different operating conditions. We, therefore, list the item as a key audit matter.

#### Audit procedures:

Our principal audit procedure and communication through auditing instructions sent to associated CPAs are as follows:

- Conduct tests to its internal control system for revenue recognition to ensure the efficacy
  of the system;
- Obtain sales transaction records for certain period from the computer system to verity the completeness of recognition cycle;
- Sample monthly transaction records from top 10 customers and sales details for the entire year to evaluate authenticity of the transaction, accuracy of transaction amounts and reasonableness of recognition timing;
- Compare sampled bills of lading from airline companies and data compiled by the Company to verity if the corresponding transactions have entered to the computer system;
- Test sales records for transactions completed during a certain period before and after the reporting date to verify the appropriateness for the timing of revenue recognition;
- 2. Cost estimate

Please refer to Note 4(12) "Revenue and cost recognition" for related accounting policy on cost estimation, and Note 6(14) for detailed cost disclosure.

Description of key audit matters:

Dimerco Express Corporation's local and international air transportation costs contain identifying risks involving completeness of and accuracy of amounts. We, therefore, list the item as a key audit matter.

#### Audit procedures:

Our principal audit procedure and communication through auditing instructions sent to associated CPAs are as follows:

- Conduct tests to its internal control system for cost recognition to ensure the efficacy of the system;
- Sample monthly transaction records from top 10 customers and sales details for the entire year to verify whether relevant costs are listed with reasonableness and followed by corresponding revenue recognition;
- Send confirmation letters to verify accounts payable at the end of the period. For transactions with airline companies of significant balance, sample the actual payments made during a certain period after the reporting date the evaluate the reasonableness of cost estimation for the period;
- Examine statement of related-party transactions to evaluate whether the payables to
  overseas subsidiaries for services have reasonably listed in the statement;
- Test sampled cost records for sales transactions completed during a certain period before and after the reporting date to verify the appropriateness for the timing of cost recognition.

# Responsibilities of the management and the governing bodies for the parent company only financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Regulation Governing the Preparation of Financial Reports by Securities Issuers, and for such internal control to enable the preparation of financial statements that are free from material misstatements, whether due to fraud or error.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Regulation Governing the Preparation of Financial Reports by Securities Issuers, and for such internal control to enable the preparation of financial statements that are free from material misstatements, whether due to fraud or error.

In preparing the parent company only financial statements, the management is responsible for assessing the ability of the Dimerco Express Corporation in continuing as a going concern, disclosing relevant matters, and adopting the going concern basis of accounting unless the management intends to liquidate the Dimerco Express Corporation or cease the operations without other viable alternatives.

The corporate governance unit (including the Audit Committee an supervisors) of the Company is responsible for supervising the procedures of financial reporting.

#### Auditor's responsibilities for the audit of the parent company only financial statements

Our objectives are to obtain reasonable assurance on whether the parent company only financial statements as a whole are free from material misstatement arising from fraud or error and to issue an independent auditors' report. Reasonable assurance is a high-level assurance but is not a guarantee that an audit conducted in accordance with the auditing standards will always detect a material misstatement when it exists. Misstatement may arise from frauds or errors. If the amounts of misstatements, either separately or in aggregate, could reasonably be expected to influence the economic decisions of the users of the parent company only financial statements, they are considered material.

- Identified and assessed the risks of material misstatement arising from fraud or error within the parent company only financial statements; designed and executed countermeasures in response to said risks, and obtained sufficient and appropriate audit evidence to provide a basis for our opinion. Fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Therefore, the risk of not detecting a material misstatement resulting from fraud is higher than the one resulting from error.
- 2. Understood the internal control related to the audit in order to design appropriate audit procedures

of Professional Ethics for Certified Public Accountant of the Republic of China regarding independence and communicated with them all relations and other matters that may possibly be regarded as detrimental to our independence (including relevant protective measures).

From the matters communicated with the governing bodies, we determined the key audit matters for the audit of the Dimerco Express Corporation's parent company only financial statements for the year ended December 31, 2023. We have clearly indicated such matters in the auditors' report. Unless legal regulations prohibit the public disclosure of specific matters, or in extremely rare cases, where we decided not to communicate over specific items in the auditors' report for it could be reasonably anticipated that the negative effects of such disclosure would be greater than the public interest it brings forth.

#### Independent Auditor's Report

To the Board of Directors of Dimerco Express Corporation:

#### Opinion

We have audited the consolidated financial statements of Dimerco Express Corporation and its subsidiaries ("the Group"), which comprise the consolidated balance sheets as of December 31, 2023 and 2022, the consolidated statements of comprehensive income, changes in equity and cash flows for the years then ended, and notes to the consolidated financial statements, including a summary of material accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as at December 31, 2023 and 2022, and its consolidated financial performance and its consolidated cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and with the International Financial Reporting Standards ("IFRSs"), International Accounting Standards ("IFRSs"), International Accounting Standards ("IFRIC") or the former Standing Interpretations Committee ("IFRIC") or the former Standing Interpretations Committee ("SIC") endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China.

#### Basis for Opinion

We conducted our audits in accordance with the Regulations Governing Financial Statement Audit and Attestation Engagements of Certified Public Accountants and Standards on Auditing of the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with The Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our opinion.

#### Other Matter

Dimerco Express Corporation has prepared its parent-company-only financial statements as of and for the years ended December 31, 2023 and 2022, on which we have issued an unqualified opinion.

#### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Based on our judgment, the key audit matters that should be disclosed in this auditor's report are as follows:

1. Revenue recognition

Please refer to note 4(n) "revenue and cost recognition" for accounting policy related to revenue and cost recognition, and note 6(p) for the disclosure related to revenue of the consolidated financial statements.

#### Description of key audit matter:

The Group mainly generates revenue from providing service of air freight and ocean freight forwarding. Revenue is recognized when the goods are consigned for transportation based on each shipping term and the transportation fee can be reasonably determined. Wherein the timing of delivery is different for each shipping term and thus the management of the Group needs to determine the accuracy of the timing for revenue recognition. Therefore, revenue recognition is considered as one of our key audit matters in our audit.

How the matter was addressed in our audit:

The key audit procedures performed by us and procedures noted in the audit instructions sent to the component audit teams for execution were as follows:

- · Testing the effectiveness of the internal control over sales.
- Selecting a period of sales data from the system, and determining the completeness of the revenue recognition.
- Obtaining the list of top ten sales customers and sales data of the year, then performing test-of-detail by
  selecting samples from each month to evaluate the existence of the sales and the accuracy of the amount
  recognized, as well as the appropriateness of sales recognition.
- Obtaining the master bill of lading provided by the airline and the summarize documents prepared by the Group, as well as selecting samples from the summarized documents to determine whether the related house bill of lading have been recognized appropriately.
- Performing sales cut-off test of a period before and after the financial position date by vouching relevant documents of sales transactions to determine whether the timing of revenue recognition is appropriate.
- 2. Cost accrual

Please refer to note 4(n) "revenue and cost recognition" for accounting policy related to cost accrual and note 6(q) for the disclosure related to cost of the consolidated financial statements.

#### Description of key audit matter:

The cost of the Group consists of local and international transportation cost. There is a risk in identifying the completeness of the accural cost and the accuracy of the amount accrued. Therefore, the cost accrual is considered as one of our key audit matters in our audit.

How the matter was addressed in our audit:

The key audit procedures performed by us and procedures noted in the audit instructions sent to the component audit teams for execution were as follow:

- · Testing the effectiveness of the internal control over cost.
- Performing test-of-detail by selecting the same samples in connection with the audit of top ten sales customers and the sales data of year from each month, and evaluate whether the related cost have been matched with the recognition of revenue and accrued appropriately.
- Sending confirmation letter for the ending balance of accounts payable. Selecting samples with
  significant amount from the reconciled documents between the Group and the vendors and vouching the
  subsequent payment to determine whether the costs accrued at the financial position date were
  reasonable.
- Performing purchase cut-off test of a period before and after the financial position date by vouching relevant documents of cost transactions to determine whether the timing of cost accrual is appropriate.

# Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Regulations Governing the Preparation of Financial Reports by Securities Issuers and IFRSs, IASs, IFRIC, SIC endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance (including the supervisors) are responsible for overseeing the Group's financial reporting process.

#### Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Standards on Auditing of the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material i, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with the Standards on Auditing of the Republic of China, we exercise professional judgment and professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- 4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- 5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6. Obtain sufficient and appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audit resulting in this independent auditors' report are Chang, Chun-I and Kuang, Chun-Hsiu.

The appointment and dismissal of the General Manager shall be in accordance with the provisions of Article 29 of the Company Law.

## **Chapter 6: Accounting**

- Article 22: At the end of each fiscal year, the Company shall prepare the following items and submit them to the Audit Committee for review no later than 30 days before the shareholders' meeting and then presented to the shareholders' meeting for approval: 1.Business report;
  - 2.Financial statements;
  - 3. Proposal for distribution of profits or allocation of losses.
- Article 23: If the Company generates profits during the fiscal year (meaning pre-tax profits deducted before the payment of employee and director compensation), it shall allocate no less than 5% of the profits for employee compensation and no more than 5% for director compensation. However, if the Company has accumulated losses (including adjustments to retained earnings), it shall reserve a compensatory amount in advance.

Employee compensation in the preceding paragraph may be in the form of stock or cash, and the beneficiaries may include employees of controlling or subsidiary companies who meet certain conditions. Director compensation in the preceding

paragraph shall only be in cash.

The first two paragraphs shall be implemented by resolution of the Board of Directors and reported to the shareholders' meeting.

Article 23-1: If the Company has net profit after tax in the current fiscal year, it shall first offset the accumulated losses (including adjustments to retained earnings) and allocate 10% of the net profit to the legal reserve in accordance with the law. However, if the legal reserve has accumulated to the amount of the Company's paid-in capital, there is no need to allocate further. The Company may allocate or reverse the special reserve in accordance with laws and regulations or instructions from competent authorities. The remaining profit, together with the undistributed earnings at the beginning of the period (including adjustments to undistributed earnings), shall be proposed by the Board of Directors for distribution to shareholders' meeting by issuing new shares.

In accordance with Article 240, Paragraph 5 of the Company Act, when the Company distributes all or part of dividends and profits in cash, the Board of Directors may be authorized by the Articles of Incorporation to make such distributions by a resolution passed by two-thirds or more of the directors present and a majority of the attending directors, and report it to the shareholders' meeting. In order to maintain shareholders' investment returns and respond to the cyclical nature of the economy and build a sound financial structure for the Company, the distribution of dividends shall be based on the following considerations:

- 1. Meeting the Company's future needs for expanding its operations;
- 2. Maintaining a stable level of earnings per share for the Company;
- 3. Considering the Company's cash flow and operating profit situation.

The Company is currently in a growth phase and has plans for expanding its business operations and the need for funding in the coming years. When distributing profits, the cash distribution of shareholder dividends shall be no less than 10%.

- Article 24: Matters not covered in this Articles of Incorporation shall be handled in accordance with the Company Act and relevant laws and regulations.

## **Rules of Shareholders' Meeting**

- 1. The Shareholders' Meeting of The Company shall be conducted in accordance with these rules.
- Shareholders (or their proxies) attending the meeting shall wear their attendance certificate. The number of shares they hold shall be calculated based on the signin card submitted.
- 3. If more than half of the total issued shares are represented by shareholders at the meeting, the chairman shall declare the meeting open and simultaneously disclose information such as the number of non-voting shares and the number of shares present. If the meeting time exceeds but fails to reach the required quorum, the chairman may announce an extension, with two extensions allowed (the first extension being twenty minutes and the second extension being ten minutes). If the quorum is still not met but shareholders representing more than one-third of the issued shares are present, the chairman may proceed with the resolution according to Article 175 of the Company Act, "with the consent of the majority of the votes present."

When conducting the aforementioned resolution, if the shares represented by attending shareholders have reached the required quorum, the chairman may immediately declare the formal opening of the meeting and submit the resolution made to the meeting for approval.

- 4. The agenda of the shareholders' meeting shall be formulated by the Board of Directors and distributed to attending shareholders or their proxies.
- 5. The Chairman may announce breaks during the meeting at his discretion.
- 6. When a shareholder speaks, he/she shall fill in the speaker's card with his/her attendance card number and name, and the Chairman shall determine the order of speeches.
- 7. When discussing agenda items, they shall be discussed in the order listed in the agenda. If any procedure is violated or if the discussion goes beyond the scope of the agenda, the Chairman may immediately stop the speaker.
- 8. When a shareholder speaks, the time shall not exceed five minutes. However, with the Chairman's permission, it may be extended for three minutes. The Chairman may stop the speaker if the time limit is exceeded.
- 9. Each person shall speak no more than twice on the same agenda item.
- 10. When discussing agenda items, the Chairman may announce the end of the discussion at an appropriate time and may suspend the discussion if necessary. The Chairman shall then proceed to a vote.
- 11. Except for special resolutions as stipulated by the Company Act, the approval of proposals shall be based on the consent of the voting rights of more than half of the attending shareholders. During the voting process, if the chairman has consulted and received no objections, it shall be deemed as approved, and its effectiveness is the same as that of the voting.

If a shareholder entrusts a proxy to attend the shareholders' meeting and one person is entrusted by two or more shareholders at the same time, the voting rights of the proxy shall not exceed 3% of the total voting rights of the issued shares. If exceeded, the excess voting rights shall not be counted.

If a shareholder has a conflict of interest with the matters discussed at the meeting,

which may harm the interests of the company, the shareholder shall not participate in the voting and shall not act as a proxy for other shareholders to exercise their voting rights.

- 12. Matters not provided for in these rules shall be handled in accordance with the Company Act and other relevant laws and regulations.
- 13. These rules shall be implemented after being passed by the shareholders' meeting, and the same applies to amendments.
- 14. This regulation was established with the unanimous consent of all initiators on June 18, 1985.

First amendment made on July 8, 2021.

## **Rule of the Election of Directors**

- 1.In accordance with the Company Act and Articles 15(2) and 19(2) of the Company's Articles of Association, this regulation is established, and all elections of the Company's directors shall be governed by the provisions of this regulation.
- 2. The election of the Company's directors shall be conducted at the shareholders' meeting.
- 3. The election of the Company's directors shall adopt a nomination system, and shareholders shall elect candidates from the list according to the quotas specified in the company's articles of association.

3.1. Both independent directors and non-independent directors of the Company shall be elected simultaneously, and their votes shall be printed separately and counted separately for the number of seats to be elected.

- 4.In the election of the Company's directors, each share shall have the same voting rights as the number of directors to be elected. Ballots with the same number of votes as the number of directors to be elected shall be prepared by the board of directors and distributed to the shareholders. The ballots may either vote for a single candidate or distribute votes among several candidates.
- 5. The Company's directors shall be elected according to the number of votes represented by the received votes. Those elected as directors shall serve in sequence. If a director-elect declares resignation before submitting a change registration to the competent authority, the vacancy shall be filled by the candidate with the next highest number of votes. If two or more candidates have the same number of votes and exceed the specified quota, the candidates with the same number of votes shall be decided by drawing lots. In the case of absentees, the chairman shall draw lots on their behalf.
- 6.Among the elected directors of the Company, there should be more than half of the seats, and at least one seat should not be held by individuals with the following relationships:
  - 6.1Spouse
  - 6.2Relatives within the second degree of kinship
- 7.If the elected directors of the Company do not meet the requirements of Article 6 of this regulation, the following rules shall determine the elected directors:

For directors who do not meet the requirements, the director with the lowest number of votes among those who do not meet the requirements shall lose their election.

- 8.(This clause is deleted)
- 9. When the board of directors prepares the ballots, the attendance certificate number and the voting rights shall be filled in.
- 10.At the beginning of the election, the chairman shall appoint scrutineers and ballot counters to conduct supervision and counting.
- 11. The ballot box shall be prepared by the board of directors and shall be publicly inspected by the scrutineers before voting.

12.Voters must fill in the name of the candidate in the candidate column of the ballot, and may also include the shareholder account number or national identification number. However, when the shareholder is a legal entity, the candidate column of the ballot may be filled with the name of the legal entity or its representative.

13. The ballot shall be invalid under the following circumstances:

13.1Ballots not in accordance with the regulations stipulated herein.

- 13.2Blank ballots deposited into the ballot box.
- 13.3Illegible handwriting that cannot be identified or alterations not corrected in accordance with the law.
- 13.4The name of the candidate filled in does not match the shareholder account number or national identification number.

13.5The number of candidates listed on the same ballot exceeds the specified quota.

13.6In addition to filling in the name of the candidate and the shareholder account number or national identification number, other texts are added.

- 13.7The name of the candidate filled in is the same as that of other shareholders, and no shareholder account number or national identification number is filled in for identification.
- 14. Separate ballot boxes shall be set up for the election of directors, and the ballot boxes shall be opened by the scrutineers after separate voting.
- 15. The vote counting shall be supervised by the scrutineers, and the chairman shall announce the results of the vote counting on the spot.
- 16.The elected directors shall be issued with notices of election by the board of directors respectively.
- 17. This regulation shall be implemented after being approved by the shareholders' meeting, and amendments shall also be subject to the same approval.

18. This regulation is established with the unanimous consent of all initiators on June 18, 1985.

First amendment made on June 11, 2014.

Second amendment made on July 8, 2021.
